About Carmignac Gestion

Founded in 1989 by Edouard Carmignac, Carmignac Gestion is one of the leading independent asset management companies in Europe today. Its share capital is entirely held by its management team and staff. In this way, the company's long-term viability is ensured by a stable shareholding structure, reflecting its spirit of independence. This fundamental value is of utmost importance to the company as it ensures the freedom required for successful and renown portfolio management.

Managing EUR 50 billion in assets, Carmignac Gestion offers 18 funds covering all asset categories, whether equity or balanced funds. It also manages mandates.

Our funds are distributed for sale in 10 European countries (France, Luxembourg, Switzerland, Belgium, Italy, Germany, Spain, Austria, The Netherlands and Sweden) and also in Singapore. Within the framework of its international expansion, the company opened a subsidiary in Luxembourg in 1999 and two representative offices in Madrid and Milan in 2008.
