Increased life expectancy and major social changes have caused investors to reconsider the way they invest, shifting towards strategies that are geared to the long-term and mindful of the impact on the planet.

Discover Carmignac Portfolio Grandchildren, a global equity fund seeking to achieve steady capital growth over the long-term for investors looking to put their capital to good use:

In our approach to global equities, these companies should demonstrate high sustainable profitability today while reinvesting profits internally in the business to grow it for the future

The Fund at a glance

Carmignac Portfolio Grandchildren is a high conviction, equity fund (classified Article 9 according to SFDR¹) aiming to deliver long-term returns over a recommended investment period of at least five years. It invests in shares of sustainable, high-quality companies across the world while mitigating the effects of changing economic cycles and focuses on:

Quality

We identify companies that exhibit the characteristics we believe are needed to successfully grow over time, that is, high quality companies with sustainable profitability, reinvesting their earnings to grow the business for the future.

Cyclical

We always keep an eye on the road by adjusting the sizing of our positions to cyclical and defensive stocks according to the direction of the cycle.

Sustainability

We believe companies with strong Environmental, Social and Governance (ESG) profiles do better over time while making a measurable and positive contribution to society and the environment.

In recognition to its commitment to sustainable investment, the Fund has been granted the French "Socially Responsible Investment" label in January 2020 and the Belgian "Towards Sustainability" label in February 2020².
